

## 2nd Balaton Course in Medicinal Chemistry

**Balatonszemes, Hungary  
September 12-15, 2010**

*organized by  
Organic and Medicinal Chemical Division of Hungarian Chemical Society*

The Organizing Committee cordially invites you to the 2nd Balaton Course in Medicinal Chemistry. The course is basically organized for junior scientists in English and open for participation of scientists from foreign countries too.

Main focus will be lead finding and lead optimization, chemical development.

Registration fee is 45.000 HUF that includes accomodation, meals and all course material. Registration is requested via e-mail (full name, affiliation, mailing and invoicing address should be provided).

Deadline for payment: 15/07/2010; after registration, against invoice. No refunding is possible after 01/08/10.

Contact person: Molnárné Czagány Krisztina  
Semmelweis Univeraity, Department of Organic Chemistry  
H-1092 Budapest, Hőgyes Endre u. 7.  
Tel./fax: +36-1-217-0851  
e-mail: ckriszti@szerves.sote.hu

## Proposed program

### Sept. 12 Day 0

Péter Mátyus      Opening remarks  
György Domány      Plenary lecture (1.5 h)

### Sept. 13 Day 1

Károly Tihanyi      Target selection and validation (1 h)  
György Keserű      Lead discovery (1 h)  
György Keserű      ADME properties (1 h)  
Sándor Bátori      Lead optimization (2 h)  
Péter Mátyus      Lead optimization (2 h)

### Sept. 14 Day 2

Károly Tihanyi      Preclinical development (1 h)  
István Hermech      Process chemistry (2 h)  
István Greiner      Intellectual property (1 h)  
József Barkóczy      Chemical development case study (2 h)  
András Zékány      Generic development case study (2 h)

### Sept. 15 Day 3

Sándor Bátori      Practical session on lead optimization (2.5 h)  
György Keserű      Closing and concluding remarks (0.5 h)
